

Revolution is the Solutions  
By David A. Romero

Some people say  
They are tired  
Of hearing talk of Revolution  
With no solutions  
They are tired  
Of hearing about the problems  
Of the community  
Of the country  
Of the world  
You know what?  
Go fuck yourselves  
I am sorry  
To inconvenience you  
By asking you to open up your heart  
For a moment  
To cry  
Over injustice  
To cry out for justice  
I am sorry  
To ask you  
To think of what you might do  
To make a difference  
For starters...  
Organization  
Co-operation  
Collectivization  
Mass movements  
You petition  
Urban garden  
Collect food in banks  
Re-cycle  
Bi-cycle  
Make art  
Banners  
Signs  
Let's take this struggle  
To Critical Mass  
In spokes and words  
The written word  
Teach  
Preach  
Plant seeds  
Volunteer  
Break bars  
Set caged birds free

Spray paint walls  
With closed fists  
And open arms  
Embrace the people around you  
Reclaim public space  
Protest  
Chant  
Sing  
Dance  
For a better tomorrow  
Burn money  
It's not real  
People are real  
Pain is real  
Joy is real  
Feel pain  
Feel joy  
Build communities  
Take up a noble cause  
Change laws  
Make laws  
Fight for the well-being of all  
Occupy foreclosed homes  
Of families  
So they can stay  
Warm through the cold  
Boycott what you don't believe in  
Support what you do  
Plant seeds in minds  
Erase borders  
Drawn on maps  
They are make-believe  
Erase borders  
That would divide us  
We are one people  
No one is illegal  
Contrary to popular belief  
Factories and fields  
Could produce plenty  
It's a beautiful world  
We live in a world of plenty.  
Everyone has a right to be fed  
Everyone has a right to be clothed  
Everyone has a right to be sheltered  
Everyone has a right to be treated  
Everyone has a right to be educated  
Everyone has a right to be free  
To be loved

This is our birthright  
This is your birthright  
As human beings  
If you are not sure  
That you are  
A human being  
Check your pulse  
THERE  
Feel it in your heart  
And in your mind  
Thoughts and actions  
These are the contents of our Revolution  
Revolution IS the fucking solutions  
Make Revolution.
